NEW WEEK.
7 NEW DAYS.

TIME TO CRUSH
SOME GOALS.

MONDAY JUNE 15th - FRIDAY JUNE 19th, 2020
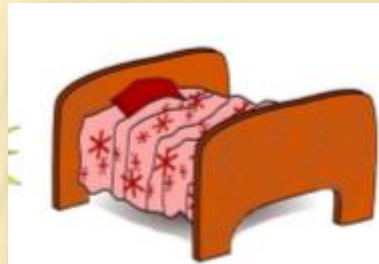

MS. DHILLON'S PLANS FOR DIVISION 11

SUGGESTED MORNING SCHEDULE

1 Good morning! Time to rise & shine

2 Make your bed

3 Stretch

4 Brush Your Teeth!

5 Get dressed

6 Eat Breakfast

7 Begin your Morning Work

SUGGESTED AFTERNOON SCHEDULE

1

Have a
healthy lunch

2

Get some fresh air

3

**Work on your Afternoon
Activity**

4

Do something you love to do!

MONDAY JUNE 15TH, 2020.

Mindful Monday

Find a quiet spot, close your eyes and spend some time thinking about the happiest day of your life. Try to remember as much as you can.

Daily Reflection

"You're off to great places, today is your day. Your mountain is waiting, so get on your way."

—

Dr. Seuss
Author/Poet

Monday Morning Math

Review: What is division?

Division is all about sharing things equally.

In division, objects are separated or split into equal groups.

Each group has the same amount.

DON'T FORGET TO USE ONE OF THE FOLLOWING STRATEGIES:

1. Skip Counting.

2. Draw an equal groups picture.

3. Draw an array.

4. Use fact families.

Monday Morning Math

There are 10 students in the class and 60 skittles. If the skittles are divided equally, how many does each student get?

Note: If you are looking for a challenge this week, please log into IXL and continue practicing division.

Monday Afternoon Activity

1. This week's art tutorial is dedicated to my graduating grade 5 students!

2. Follow the link below and create your work of art.

3. Text or email me your creations OR share it with us at our zoom meeting today!

https://www.youtube.com/watch?v=ysXYTAIUfgc

TUESDAY JUNE 16TH, 2020.

TRIVIA TUESDAY

Where do green sea turtles live?

a. in oceans around the world
b. in lakes in Australia
c. in swamps and marshes
d. on the moon

*answer on last slide

Daily Reflection

"Winning doesn't always mean being first. Winning means you're doing better than you've done before."

—

Bonnie Blair
Speed Skater

Tuesday Morning Math

Ms. Bains gave 36 pencils equally to 9 students in the class. How many pencils did each student get?

1. If Ms. Bains had 40 pencils in total, how many would each student get?

   Show your thinking. For example if you are skip counting in your head, draw or type this out so that I know how you got your answer.

Tuesday Afternoon Activity

Creative Thinking

You task this week is to invent something! Think about a time you wished you had something to make a situation easier or more fun. What is something you could invent that would help?

Watch the video below to get inspired by other students! Then come up with your own invention. I cannot wait to see what you come up with.

WEDNESDAY JUNE 17ᵀᴴ, 2020.

Weird Fact Wednesday

A teenager created a staple chain that is as long as a cruise ship!

Daily Reflection

"Positive thinking will let you do everything better than negative thinking will."

—

Zig Ziglar
Author

Wednesday Morning Math

Ashton is putting up a small square picket fence around his garden. If he uses a total of 40 wooden panels for all sides, how many panels will he use for each side of the picket fence?

❖Use one of the strategies to solve the problem.
❖Remember to show your work!

Wednesday Afternoon Activity

Gathering Blue-Read Aloud

https://dhillonconradschool.weebly.com/read-alouds.html

1. Follow the link above to our class website and listen to Chapter 6.

2. Kira was very shocked/amazed by her new living quarters, but what about them amazed her the most?

3. What did Kira tell Jamison about Matt?

THURSDAY JUNE 18TH, 2020.

Thoughtful Thursday

Help an adult at home with a chore today. If you're not sure what to do, ask them what you can help with.

Daily Reflection

"In every day, there are 1,440 minutes. That means we have 1,440 daily opportunities to make a positive impact."

—

Les Brown
Author

Thursday Morning Math

Our class is going to play a game with Mr. Wong's class! There are 42 students in total. Each team has 7 students on it. How many equal teams will there be?

Are the teams fair?

❖Use one of the strategies to solve the problem.
❖Remember to show your work!

Thursday Afternoon Activity

It's **THINK OUTSIDE THE BOX THURSDAY!**

Think outside the box and complete the picture below. What can you come up with? Write a story about your picture.
Make sure you email or text it to me so I can see your creative creations! Have fun!

Note: Come up with something more creative than an arrow!

FRIDAY JUNE 19TH, 2020.

Funny Friday

What did one math book say to the other math book?

*Answer on last slide

Daily Reflection

"Every day may not be good... but there's something good in every day."

Alice Morse Earle
American Historian

Friday Morning Math

Fill in the fact families for the following:

Friday Afternoon Activity

Were Dragons Ever Real?

Follow the link below to check out the video about dragons!

https://mysteryscience.com/mini-lessons/dragons?code=cf7a9a0ab6fa36bc31be318b24221f4f#slide-id-5267

Talk to a family member about what you learned about dragons.

❖ Were they ever real?
❖ What do you think is the closest animal to a dragon?
❖ What makes those animals seem like dragons?

EXTRA ACTIVITIES

The next slide has some extra activities that you can try at home if you're looking for more challenges.

Enjoy!

EXTRA ACTIVITIES

1. Type up another emoji story using the emojis of your choice and send it to Ms. Dhillon!

2. A hero is a person of distinguished courage or ability, admired for being brave. Who is your hero? A hero can be a family member, an athlete, an actor, an activist, a historical person, or even a fictional character. 1. Who is a hero to you? 2. Research and learn more about your hero's life and accomplishments.

3. Your class is getting a pet dragon! Write/type an instruction manual for proper dragon care.

4. Research your name. What does it mean? Who named you? What is the language/culture of origin? How much do you love your name?

5. Log on to IXL and Raz-Kids and sharpen up your math and reading skills!

ATTENTION GRADE 5 STUDENTS!

Prince Rupert Middle School will be a holding a tour for our Grade 5 students this Tuesday, June 16th from 2:00 – 2:30pm. If you would like your child to attend this tour, you will need to drop them off and pick them up. Please let me know if your child will be attending.
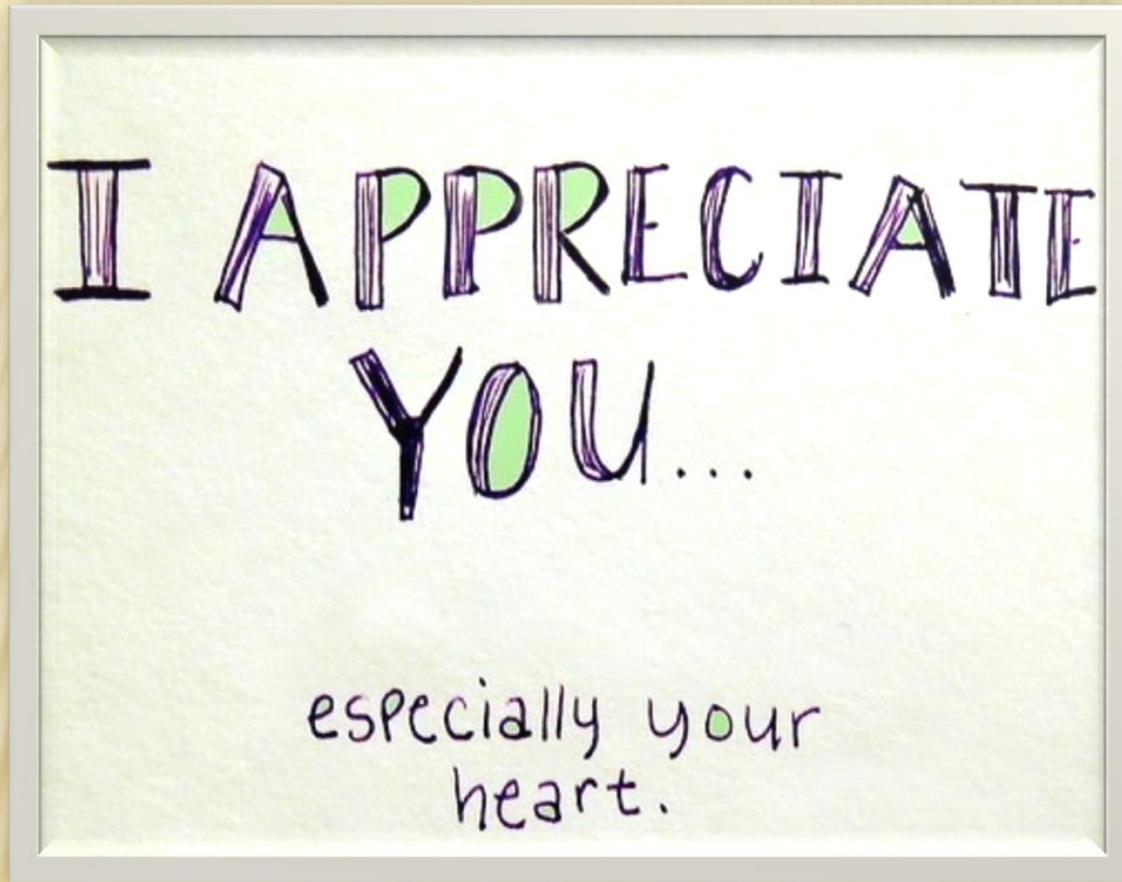

Thank you!

REMINDERS

* If you have a laptop that you borrowed from the school, please be sure to return it as things begin to wrap up.

* If students missed any meetings last week, please feel free to schedule a one-on-one meeting with me on one of the available days on our Zoom Schedule. Please contact me in advance to schedule this.

* Our House Group meeting days are changing to Thursdays for the remainder of the month. This is because our staff meetings have been changed to Fridays which conflicts with our House Group meetings. If this is a problem, please let me know and we will schedule a separate time to meet.

ZOOM SCHEDULE

Monday	Tuesday	Wednesday	Thursday	Friday
Whole class Zoom meeting at 1pm.	Students may meet with me for a one-on-one Zoom meeting if they require any academic or emotional support. Please contact me to schedule this prior to logging on.	Students may meet with me for a one-on-one Zoom meeting if they require any academic or emotional support. Please contact me to schedule this prior to logging on.	House Group Zoom Meetings. **Random Squad 10:30-11:00** **Dragon Squad 11:15-11:45** **Sushi Squad 1:00-1:30** **Lucky 1s 1:45-2:15**	

THANK-YOU FOR EVERYTHING THAT YOU DO!

Answers:
*Where do green sea turtles live? a. in oceans around the world
*What did one math book say to the other math book?
I have a lot of problems.
