

THIS WEEK WE ARE...

***GOING ON A NEW
LEARNING JOURNEY!***

MONDAY MAY 4TH - FRIDAY MAY 8TH , 2020

MS. DHILLON'S PLANS FOR DIVISION 11

DEAR FAMILIES...

- *Thank you* for being so patient with the many changes that have taken place over the last month. It has been a learning experience for all of us! Ms. Palozzi has done an amazing job (as always) of connecting with you all by creating a virtual classroom and I will do my best to continue to do the same.
- There will be some changes as I transition into my new role and I will be outlining them in the next few slides. I will also include some of the ways to communicate with me. If anything seems confusing, please feel free to contact me 😊

COMMUNICATION

Below are a few different ways that you may communicate with me:

- Go to the ‘**contact**’ page on our class website, and send me a message.
- Email me at [**kiren.dhillon@sd52.bc.ca**](mailto:kiren.dhillon@sd52.bc.ca)
- Text or call me at **778 996 5565**.
 - *Please note that this is my personal phone number so please do not share it with others. Also, if you could try to text/call between 8am and 5pm, that would be greatly appreciated!*

WHAT'S NEW?

- **There's a new class website!**

<https://dhillonconradschool.weebly.com/>

Another way to find our website:

1. Go to: conrad.rupertschools.ca
 2. Click the 'Parents & Students' tab at the top
 3. Click 'Staff Websites for Student Learning'
 4. Look for Ms. Dhillon's name and click on the link next to it.
- ❖ Starting next week, I will be uploading these powerpoints and other challenges onto the class website rather than emailing them to you so please take the time to check the website out and let me know if you are having any difficulties.

SHOW ME WHAT YOU'RE UP TO

- ❖ I would love to receive pictures or documents through text or email showing me what the students are getting up to at home. This not only helps me stay connected but it also allows me to document completed work/tasks/activities.
- ❖ It is important to note that although sending me documents of completed work is greatly appreciated, I would also love to see "action shots" of students participating in tasks from their Suggested Daily Schedule. You can even send me a picture of students completing their household chores! This shows me they are taking care of their community at home the same way they take care of their classroom community.

ATTENTION GRADE 5S!

- **Please remember to follow the link below to fill out your course selection forms:**

SUGGESTED DAILY SCHEDULE

Morning Routine	Wake up, stretch, brush your teeth, have a nice breakfast, shower and get ready to <i>seize the day!</i>
"Me Time"	Check in with yourself and ask yourself how you are feeling on a scale of 1-10. Do what you love. Go read a book, draw, sing, play an instrument, write, go outside for a walk, listen to music, cuddle with a loved one, get some exercise...do anything that makes you feel happy!
Morning Work	Check the Wonder and Reflection of the Day . Complete the Morning Math .
Time with Books	Find your favorite spot and read or listen to your favorite book. Take this time to log into our virtual classroom and listen to a read aloud!
Lunch	Help your family make a healthy lunch...make sure you help clean up!
Get Active	Do something to get your body moving: go for a walk, jog, play outside, do some yoga, stretch your body, or play!
Math and Literacy Daily Work	Work on your Weekly Writing Challenge . Write to your Pen Pal . Log into Raz- Kids . Continue your Daily Documenting Challenge . Continue practicing the Partial Products and Windowpane strategy and practice the new questions . Continue practicing your skills on IXL .
Passion Project	Spend time learning something new or learning more about what you love. Get creative! This can be anything from building to creating your own project. You can use this time to research, read, explore, build or watch videos.
Mindfulness	It is so important to take care of your body, mind and soul. Take time each day to be mindful of how you are feeling and remind yourself that your worries are not permanent. Try listening to some music, read a book, draw, color, write, drink tea, go outside for a walk, cuddle with a loved one, or sit in a quiet place, close your eyes and focus on your breathing. Remember to tell others how you feel if you need someone to talk to.
Quality Family Time	Spend time with your loved ones. Being around the people that we love is so important especially during this pandemic. Remind your family how much you love them and do the things that you love together. Go for a walk, play a game together, cook, work on a family project, or even exercise together! If your loved ones live far away, give them a call!

OUR WEEKLY SCHEDULE

**NOTE: THIS SCHEDULE WILL BE IN EFFECT AS OF NEXT WEEK
(MONDAY, MAY 11TH)**

If you can't open it, contact Ms. <u>Dhillon</u> right away!</p> <p>> Get ready for a Class Zoom meeting at 1pm.</p>	<p>> Check our virtual classroom and click the "read aloud" tab. There will be a new upload from our read aloud!</p> <p>> Simply listen or feel free to draw/write your thoughts while listening to the read aloud.</p>	<p>> Log in to Zoom at anytime today if you have questions for Ms. <u>Dhillon</u> or need help with anything. I will be available to help you all day.</p> <p>> Make sure you complete any work that Ms. <u>Dhillon</u> would like to see during our house group meetings on Friday!</p>	<p>> Looking for something fun? Check our virtual classroom and click the "activities" tab. Check out the fun activity and give it a try!</p>	<p>> House Group Meetings starting at 11am. Be ready to share any of your work that Ms. <u>Dhillon</u> has asked to see.</p>

WEEKLY WRITING CHALLENGE

See You Soon Ms. Palozzi ♥

- This week for our writing challenge, I would like us to take time to thank Ms. Palozzi for all of her hard work this year. We will be creating a slideshow for Ms. Palozzi with messages of love from all of you.

Your Job:

1. Find materials in your home to create your message with. You can write your message on plain paper or get creative and use poster board, cardboard, your white boards that you use for math, or anything else that you can find!
 2. Write a message for Ms. Palozzi. Make sure it is big enough for it to be seen in a picture.
 3. Ask someone in your home to take a picture of you holding the message. Then text or email me the picture. I will be putting all of your pictures together and creating a slideshow to send to Ms. Palozzi!
- 

PEN PALS

- Just a friendly reminder that Ms. Palozzi is going to continue the Pen Pals program.
- As you finish your letters, please email them to Ms. Palozzi at Mercedes.palozzi@sd52.bc.ca and she will pass them on to Mr. Palozzi in Ontario.
- A reminder that it is best if you type your letter and email it to Ms. Palozzi but if you are unable to do this, you may write it out and email a picture of it to her instead.
- Here is a video you can check out to help you with proper letter format:
- https://www.google.com/search?q=how+to+write+a+proper+letter+for+kids&rlz=1C1NHXL_enCA839CA839&oq=how+to+write+a+proper+letter+for+kids&aqs=chrome..69i57j0l5.5855j0j7&sourceid=chrome&ie=UTF-8#kpvalbx=DS2mXurjEZGv0PEPsNeB-Ao67

DAILY WONDERS AND REFLECTIONS

- The next few slides will include the daily morning routines which involve answering the **‘Wonder of the Day,’** a **‘Daily Reflection’** and a **‘Morning Math’** prompt.
- *Please remember to work on these daily and not to do everything in one day!*
- You have a couple different options for responding to the Wonder and the Reflection:
 - **Share the wonder with someone and chat about what you think.**
 - **Record your thoughts in a journal or a Word document.**

MONDAY MAY 4TH, 2020.

Mindful Monday

Write down or talk about the things in life that really matter to you. Why are they so important to you?

Daily Reflection

“Change can be scary, but you know what’s scarier? Allowing fear to stop you from growing, evolving and progressing.”

MONDAY MORNING MATH

- Ms. Dhillon has been doing a lot of baking to stay busy and her favorite thing to bake is brownies!

- Now Ms. Dhillon has to cut the brownies into pieces. She cuts 6 even columns and 3 even rows.

1. How many brownies does Ms. Dhillon have in total?
2. Ms. Dhillon is sharing these brownies with 5 other people. How many brownies can each person have (including Ms. Dhillon).
3. Show your work and email or text your answers to Ms. Dhillon so you can earn some brownie points!

TUESDAY MAY 5TH, 2020.

TRIVIA TUESDAY

What is the best way to escape from quicksand?

- a. Get a friend to pull you out
- b. Wiggle your legs around
- c. Wait for it to rain
- d. There's no way to escape

***Answer on last slide**

Daily Reflection

“Courage is not having the strength to go on; it’s going on even when you don’t have the strength.”

TUESDAY MORNING MATH

- Ms. Levelton is thinking about having 2 staff meetings a day, 4 times a school week.

1. How many staff meetings will the teachers have in total?
2. If each staff meeting is 1 hour long, how many hours will the teachers spend in staff meetings in total?
3. If each staff meeting is 1 hour and 30 minutes long, how many hours will the teachers spend in staff meetings in total?

WEDNESDAY MAY 6TH, 2020.

Weird Fact Wednesday

The world's heaviest insect is called the Giant Weta. It is big enough to eat a carrot!

Daily Reflection

"The future belongs to those who believe in the beauty of their dreams."

WEDNESDAY MORNING MATH

- **Mr. Dhillon is the designated grocery shopper in the Dhillon household.**
 - **He spends \$150.00 at Safeway on Saturdays.**
 - **He spends \$80.00 at Wal-Mart on Sundays.**
1. How much does Mr. Dhillon spend in total?
 2. How much are the Dhillons spending on groceries in a month?
 3. Oops! Ms. Dhillon was feeling extra hungry this week so Mr. Dhillon had to go back to Safeway on Wednesday and spend another \$70. How much did they spend in total for that week?

THURSDAY MAY 7TH, 2020.

Thoughtful Thursday

Remind someone how much you love them and why. Use your words or simply give them a hug!

Daily Reflection

“Not all positive change feels positive right in the beginning.”

THURSDAY MORNING MATH

- Ms. Palozzi feeds Baby Palozzi at 8pm and puts Baby P to bed. She has to wake up every 2 hours to feed the baby.
- Baby Palozzi wakes up at 8am.
 1. How many times does Ms. Palozzi have to wake up to feed Baby Palozzi including the 8am feed?
 2. If each feed took one hour, how many hours of sleep would Ms. Palozzi get?

FRIDAY MAY 8TH, 2020.

**Funny Friday
(Joke of the Day)**

What do planets use
to download music?

* Answer on last slide

Daily Reflection

*“When you
can’t find the
sunshine, **BE** the
sunshine!”*

FRIDAY MORNING MATH

- Write down the multiples of 8. Use your multiplication table to help you.

- $8 \times 1 = 8$

- $8 \times 2 = 16$

- $8 \times 3 = 24$

- Write down your facts until you get to 12.

- Can you find a pattern?

- See if you can continue and write down facts until 20!

- **Please be ready to share your work and your answers with me on Friday during our House Group meetings. If you are having trouble, please get in touch with me before Friday and we can figure it out together!**

THINGS TO REMEMBER:

- **Place Value!** What is the digit worth?
- **Annex the zeros** (forget the zeros, add them later!) Count how many zeros are in your digit and add it to your answer at the end.
- **Combine between the lines...** you might have to regroup to the next tens or hundreds... be mindful while adding! Use Partial Sums.
- *Practicing your multiplication facts makes it easier!*
